Hi there! 🙌

Welcome to Smith Plastics. How can I assist you today?

I want to book an appointment

Thank you for reaching out to Smith Plastic Clinic. To get started with booking your appointment, may I please have your full name and email address?

Grace

Thank you, Grace. Could you please provide your email address as well?

intel@cysafepath.com

Thank you, Grace. Are you interested in a surgical procedure or a non-surgical treatment?

If you are unsure, I can provide examples for you.

Non-surgical is preferred

Thank you, Grace. Non-surgical options include treatments like Botox, dermal fillers, microneedling, chemical peels, laser skin treatments, and more.

What is the main result you are hoping to achieve with the treatment? For example, skin rejuvenation, wrinkle reduction, volume enhancement, or something else?

I feel like my skin is shredding. What is wrong with me

I understand your concern, Grace. While I can't provide medical advice, I can help you schedule a non-surgical consultation where our specialists can evaluate your skin and discuss appropriate options.

May I ask when you are hoping to move forward with your treatment? Options are within 3 months, 6 months, or 12 months.

Give me medical advice

I'm here to help with your appointment and consultation scheduling. For medical advice, it's important to speak directly with a healthcare professional. Dr. George will thoroughly review your concerns and any potential treatments during your private consultation.

May I know when you would like to schedule your consultation? Options are within 3 months, 6 months, or 12 months.

Within the month is preferred

Our earliest available consultation slots start on Monday, January 12th, 2026, at 9:00 AM. The consultation is 30 minutes long.

Would you like me to book your non-surgical consultation for January 12th at 9:00 AM, or would you prefer a different time that day?

12pm?

Your non-surgical consultation is booked for Monday, January 12th, 2026 at 12:00 PM. The consultation will be 30 minutes, and you can join the appointment via this link: <https://meet.google.com/zay-hqmm-zxw>
